## Summer Bible Study • Revelation—Extravagant Hope

**NEW Bible Study with Pastor Laurie**

**Revelation: Extravagant Hope by Margaret Feinberg**

**Thursdays at Noon ♦ June 6 – July 18 (no class July 4)**

The Book of Revelation may seem daunting at first glance, with its imagery of bloody dragons, flying creatures, and the ominous mark of the beast. However, what if, amidst these unsettling visions, God is reserving something extraordinary for the end? Revelation isn't merely a foreboding prophecy. It's a beacon of hope for those enduring hardship—a roadmap for the suffering, a treasury of promises for the persecuted, and a rallying cry of encouragement for the downtrodden. Its message transcends time and circumstance, offering solace and guidance to individuals across generations, including you. Please register at the church office. \$15 for participant study guide.

**To Register for the Book Study: Call 701-237-6770 or Email: [AdminAssist@MessiahFargo.com](mailto:AdminAssist@MessiahFargo.com)**

## A Message from Pastor Laurie

### Exploring the Timeless Relevance of Psalms

I am excited to embark on our journey through the Psalms this summer. Few books in the Bible resonate with the human experience as deeply as the Psalms. These ancient hymns and prayers have traversed time and culture, offering us a profound glimpse into the heart of God and the depths of our own souls.

For me, diving into the Psalms is like encountering God in vivid technicolor. His presence leaps off the pages, revealing both his might and his intimate closeness. Moreover, within the Psalms, I find a mirror reflecting my own emotions and experiences—a reminder that God meets us wherever we are, in all our highs and lows.

Here are a few compelling reasons to join us in our exploration of the Psalms this summer:

**Revealing God's True Nature:** In the Psalms, we encounter a multifaceted portrait of God's character. Yes, he is mighty and majestic, but he is also tender and compassionate. Delve into the Psalms, and you'll discover the depth of God's love and the richness of his grace.

**Understanding Our Emotions:** Whether you're grappling with fear, anger, doubt, or joy, the Psalms provide a safe space to explore and express your emotions. They remind us that it's okay to bring our raw, unfiltered selves before God, knowing that he hears and understands.

**Cultivating Thankfulness:** As we gain a deeper understanding of God's character and faithfulness, gratitude naturally wells up within us. The Psalms teach us to give thanks in all circumstances, guiding us to find praise on our lips even in the midst of life's challenges.

**Learning Practical Truths:** Beyond their spiritual depth, the Psalms offer practical wisdom for navigating life's complexities. From relationships to work to personal struggles, the Psalms illuminate the path of faith in our everyday journey.

**Inspiring Creativity:** Throughout history, the Psalms have sparked the imagination of artists, musicians, and poets. Their poetic beauty and evocative imagery continue to inspire creative expression, enriching our worship and deepening our connection with God.

I invite each of you to join us as we delve into this treasure trove of spiritual wisdom. The Psalms are not relics of a bygone era. They are living, breathing testimonies to the enduring power of faith and the resilience of the human spirit. As we immerse ourselves in their timeless truths, may we find renewed strength, hope, and inspiration for the journey ahead.

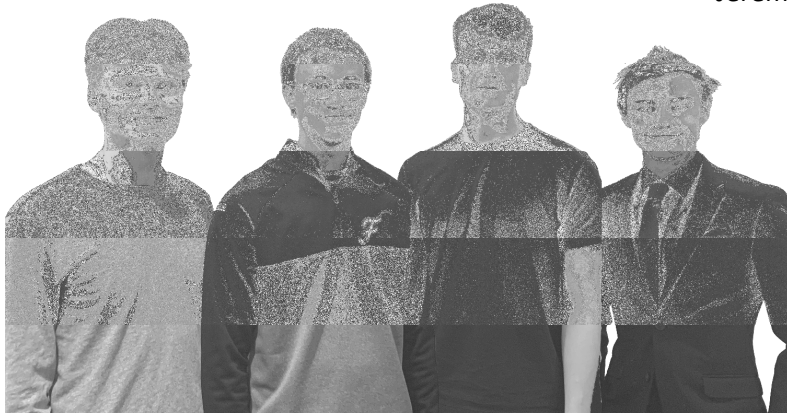

See you in church!

~ Pastor Laurie

### Harry E. Olson Scholarship

The Harry E. Olson Scholarship fund was created with a gift from the estate of former pastor, Rev. Harry E. Olson who served as Senior Pastor from 1961-1976. Pastor Olson was called to Messiah as a church builder. He was also an excellent pulpit minister and a national speaker. In 1967, he was the driving force in establishing a regional TV ministry, The Hour of Worship, from Messiah’s sanctuary.

The Scholarship Committee is now receiving applications. Students must be a member of Messiah Lutheran and are eligible for a one-time award of \$1000. Applications with complete criteria are available from Sharon, our Parish Administrator, and are due by July 1, 2024.

## Hearing the Call *by Myrna Wells-Ulland*

*Hinneni.* "Here I am, Lord."

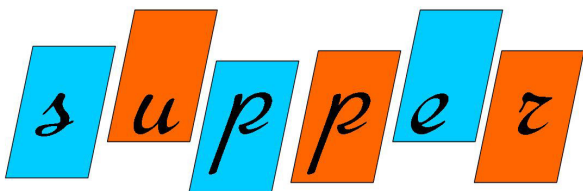

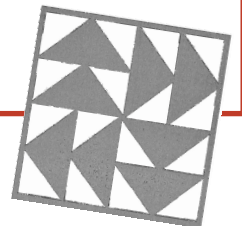

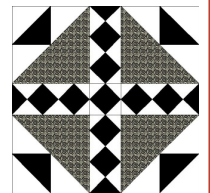

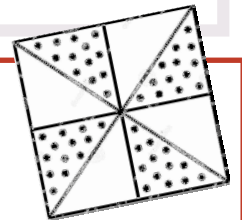

According to Jewish author, Scott Volk, the Hebrew word *hinneni* has two parts: one is the response of those who hear the call from God. "Here am I, Lord." Yet, there is a second part to *hinneni*. It's when God says, "I'm here. Ask me whatever you will. I'll walk with you."

Years ago, I heard a call from God to start a quilting ministry to support Lutheran World Relief at my church. The call was clear and continuous. And it wasn't my idea. *Hinneni.* There was no quilting ministry in our congregation, and I knew no quilters there. I didn't own a sewing machine, and I had never made a quilt. God works in revealing ways, and suddenly I was connected with a woman who wanted to donate fabric. Word got out, and the Piecemakers Quilters of Living Water was born.

We're now a group of a dozen women. Using three knots per tie, "in the name of the Father, the Son, and the Holy Spirit," we've now made hundreds of quilts, most designated for LWR.

*Hinneni.* Here we are, Lord. We've heard your call.

*Excerpted from "Heeding the call" by Myrna Wells-Ulland from the May 23, 2022, [blog](#) of the Women of the ELCA. Myrna is the current President of Churchwide WELCA.*

## A Note from your Council President

Brothers and Sisters in Christ,

Congratulations to our high school and college graduates; and to the preschool, elementary and middle school students advancing to new schools. Congratulations and Best Wishes for a fun and adventurous summer. Please be sure to keep in touch with Bud, and join the fellowship and activities throughout the summer.

Parents: you have my admiration for ‘surviving’ another school year and my best wishes for spending quality of and quantity of time together with your families this summer. At all times, know that your Messiah Family is praying for you and your children.

*“...Ask and it will be given to you; seek and you will find;  
knock and the door will be opened to you.”*

*Luke 11:9 (NIV)*

Messiah Lutheran remains vibrant and busy with worship and fellowship opportunities. Your families are important to Messiah. Connecting with family and friends – old and new; worshipping; making a joyful noise; fellowshiping; volunteering; and sharing God’s Love. That is the Messiah experience.

Your Council strives to provide positive and faith-building experiences for our youngest through our ‘experienced’ members. Together we will nurture future generations while we celebrate and embrace our rich history of sharing God’s Promises.

*“My lips will shout for joy when I sing praise to you — I whom you have delivered.”*

*Psalm 71:23 (NIV)*

Your Faithful Servant,  
Doug Nasset  
Council President

**Who Told You That? "I am Who My Creator Says I Am."**

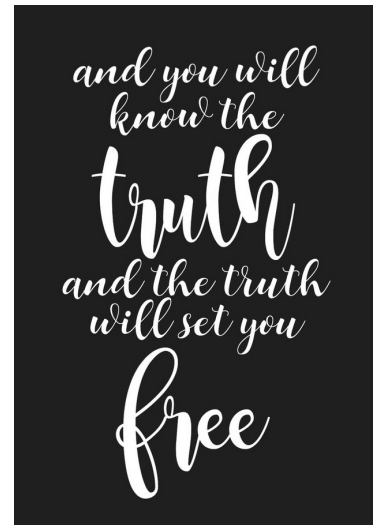

How do we know what is true? Go to God's Word. In God, we have the promise that we are a new creation.

Our thoughts determine our behavior—not only our actions, but also our emotions. Choose to say truthful things about yourself to yourself. When you hear yourself saying something negative about yourself, stop. Say aloud: "Who told me that?" Put on the armor that God has given you and defeat the enemy.

You are a Child of God...a new creation in Christ.

## Why Is Stewardship for You? (Part 3)

Stewardship is what we as stewards do. It is faith in action. Stewardship is the living out of our faith through our serving, giving, witnessing, and relating to others. It is the faithful use of our time, talents, and money in doing God's will. It is our faithful response of gratitude for God's gift of forgiveness and salvation. As God's stewards, we are called by Him and governed by His Word. God's Word gives us motivation, direction, and purpose for our stewardship. Prompted by the Holy Spirit through God's Word, we freely and joyously commit all that we are and have for His purpose.

Simply put, stewardship is good for us, helps others, extends God's kingdom, and gives God honor and glory. We as Lutherans ask, "What does this mean?"

**Stewardship is good for us** because it helps us focus on the intimate relationship Jesus wants to have with each of us. Until we have such a relationship with Jesus, our lives have no value, direction, or purpose. God wants us to be stewards of our relationship with Jesus, others, ourselves, and our creation. The relationship that we have with Jesus is the most important and the most joyful.

**Stewardship is good for us** because it helps us give our lives purpose and meaning. Through faith, we understand that our gifts and blessings are to do more than just provide for our needs and pleasure. We have a purpose to use all things in His service by helping others and extending His kingdom.

**Stewardship is good for us** because it helps us to be content. The things of this world can easily become overly important to us, and we become discontent focusing on acquiring more things. Jesus said, "You cannot serve both God and money." (Matthew 6:24) The giving of money is an antidote to our natural desire to be selfist and self-reliant. Acknowledging that our money has been entrusted to us by God and using our money for His purpose helps us put out material blessings in perspective. We become content by being thankful for the blessings God has given us.

*You are amazing and we appreciate you. Thank you for your faithful giving.  
Together, we are Messengers of God's Grace.*

## Messiah Lutheran acquires building site at 2010 Elm Street North

When Pastor Harry Olson drove north on Elm Street after his arrival in 1961, he spotted a large open area sprinkled with For Sale signs. A large white sign advertised the large, 220' deep lots as "Prestige building sites, with Country Living in the City." The VA Hospital until this time was located outside of city limits. Meanwhile, the City of Fargo slowly inched northeast in development. After approaching the realtor and receiving permission from the two homeowners who had already built on the lots, the church purchased lots between 20th and 21st Avenues and broke ground in March 1963.

This picture from the early 1960s shows the path of 20th Avenue, which ends just past 2nd Street behind St. Stephen's Episcopal Church (red building in the background). Those evergreen trees lining the south parking lot sure have grown!
